**General Instructions:** In order to participate in Columbia Gas of Ohio, Inc.’s (“Columbia”) Standard CHOICE Offer (“SCO”) Auction (“Auction”), a party must have completed both a Retail Natural Gas Suppliers Registration Application and a Bidder Registration Form. The Retail Natural Gas Suppliers Registration Application that was submitted by Applicant was a non-binding expression of interest in participating in the Auction, whereas a party submitting a Bidder Registration Form is required to make certifications regarding its participation in the Auction and must submit the initial financial security required for the number of tranches that it intends to bid upon during the Auction. A party submitting a Bidder Registration Form must also disclose any material changes to the Retail Natural Gas Suppliers Registration Application it previously submitted.

When completed, the Bidder Registration Form should be sent to the attention of the Choice Team emailed to [Transportevaluations@nisource.com](mailto:Transportevaluations@nisource.com). The deadline for submitting this Form is 5:00 pm EST Friday, January 10, 2025. If security is required, it also must be delivered to the Choice Team by the same deadline as the Bidder Registration Form.

Incomplete Bidder Registration Forms, those forms submitted without the required financial security documentation, and those Suppliers not certified by the Public Utilities Commission of Ohio (“PUCO”) will be rejected. Columbia will treat all information provided in the Bidder Registration Form as confidential. Columbia may share the information on a confidential basis with the staff of the PUCO and the Office of the Ohio Consumers’ Counsel if requested to do so by the PUCO.
