AVIATOR WEBSITE REGISTRATION USER ID AGREEMENT

AVAILABLE SCOPE OF ACCESS

The NOMS User ID of a Natural Gas Customer, Natural Gas Marketer, and Natural Gas Shipper will have access to nominate transportation volumes on assigned contracts.

The GTS RPTS User ID of a Natural Gas Marketer shall have access to reports related to Gas Transportation accounts.

The CONCERNS User ID of a Natural Gas Marketer and Third Party shall permit access to concerns submitted on behalf of CHOICE Program and Warranty Product customers.

The GTS BILL/VIEW Access Code provided to Natural Gas Customers and Natural Gas Marketers will grant electronic access to their respective invoices.

A Master ID Amendment is for use by Aviator ID holders to either change **existing** Aviator Access Levels or reassign the Master User ID to an employee other than previously identified. Any request by a Company that has not previously established a Master User ID must be submitted using this form. You and Requester agree to comply with the terms and conditions of other applicable NiSource Agreements regarding access to and use of information provided on or through the Aviator website, including but not limited to the Aviator Web Site Access Agreement(s) <https://www.nisourcesuppliers.com/>. Please complete the information above. Upon approval, NiSource will provide a Master ID to Registrant. Registrant, and not NiSource, is solely responsible for granting any additional User IDs. The Registrant, and not NiSource, is solely responsible for any actions taken by users of such additional User IDs. If Registrant is a Natural Gas Customer, it, and not NiSource, is solely responsible for any actions taken by its appointed agents.

I acknowledge that I am an employee of the Company listed above ("Registrant") and that I do have authorization from said Registrant to access and review information on the applicable transportation accounts and/or invoices for said Registrant.

I understand that information in the Gas Transportation Reports is subject to change and is the best information available at the time the report is accessed. I also understand that all information obtained through Gas Transportation Reports is competitively sensitive, proprietary in nature, and confidential and is to be utilized only for management and/or billing of the transportation account(s). The Registrant and I further agree to keep confidential and not to disseminate generally or specifically to anyone in any manner whatsoever the information accessed through Aviator except for the uses as specified in the preceding sentence or when the information is made publicly available by NiSource because of filings with governmental agencies, or where the law otherwise requires disclosure.

I understand that there is only one access code per Registrant invoice, and I agree to serve as the administrator of that access code for the Registrant invoice(s) listed above. I further agree not to disclose or divulge the access code or Invoice Information (directly or indirectly) except to those parties who have a need to know the invoice information for the purpose of enabling the receiving party to perform a review of the payment and management of the Company's transportation account.
