- Beginning March 29, 2012, the gas cost recovery for SCO is no longer subject to the Gross Receipts Tax calculation and will be replaced by the Sales Tax calculation for the SCO customer's location. This is applicable to all SCO customers and does not apply to PIPP and other Default Sales Service customers. PIPP customers and other Default Sales Service customers are still subject to Gross Receipts Tax. SCO mirrors FRSGTS in all other applicable rates and riders.
- Sales Tax is shown for illustrative purposes. SCO customers will be charged Sales Tax based upon their location.
