	46-30					ok	ok
	46-31						ok

NOTES:

- (1) Gas being transferred must be delivered from the same Pipeline (i.e., TCO to TCO, TRANSCO to TRANSCO)
- (2) On TRANSCO, transfers to and from all TRANSCO delivery points are allowed.
- (3) The information contained in this matrix is subject to change.

Signifies that bank transfers are allowed within the same Pipeline Scheduling Points

Signifies that bank transfers are allowed from the Pipeline Scheduling Points listed on the left to the indicated Pipeline Scheduling Points

Signifies that bank transfers are not allowed from the Pipeline Scheduling Points listed on the left to the indicated Pipeline Scheduling Points

Gas Transfer Service: Gas Transfer Service: This is an optional service available to each Customer, and/or Its Agent, taking service under Rate Schedules TS1/TS2, L VTS, or AS that has subscribed to the Company's Banking and Balancing Service or that uses Columbia's Cash-Out Option. This service provides for the transfer of gas quantities from one Customer/Agent ("transferor") account to another Customer/Agent ("transferee") account on any day, including days when a BSR is in effect, but excluding days when an interruption or curtailment is applicable to a proposed transferee, and in accordance to guidelines listed on Original Sheet No 163 of the Columbia Gas of Virginia Tariff. Gas Transfer Requests must be submitted by 5:00 P.M. Eastern time on the third business day following the end of the applicable calendar month. The company will charge the transferor (Customer or Agent) a flat fee of \$5.59 per transaction for Daily Gas Transfer Service.
